

Diaper Covers:

Proraps have a nice, trim fit. The soft, laminated knit fabric has a nice stretch to it that allows for a trim, long-lasting fit. This is the most economical self closing cover.

- Double barrier gusset
- Waterproof institutional "laundry safe" closure
- Extended loop across tummy for maximum fitting range
- Elastic across back for snug fit around waist
- Umbilical scoop on preemie/newborn sizes
- Material above loop across tummy – no scratching
